

## 2022 Hardrock Lottery Tickets

as of 11/27/21

This is a preliminary listing of the number of tickets each applicant will have in our December 4<sup>th</sup> lottery. Please review this listing and let us know if you think there is an error in your count. If you can't find your name, check for alternate spellings, especially if it is hyphenated or more than two words long. **Note that this list is ordered by lottery - make sure you are looking at the correct one.**

We have included enough information for you to understand how your ticket total was determined. The columns contributing to each lottery's total are highlighted in yellow. The total number of tickets is highlighted in orange.

Your number of tickets in the "Else" lottery is: Total tickets = 1+ # F tickets + # DNS tickets + # Service tickets

Your number of tickets in the "Never" lottery is: Total tickets =  $2^N$ , where  $N = \# \text{ DNS ever} + \# \text{ Service tickets}$

Your number of tickets in the "Veteran" lottery is: Total tickets = # F tickets + # Service tickets

The rules for determining these numbers and the lottery algorithm are explained at <http://hardrock100.com/hardrock-lottery.php>. In particular, note that in the "Never" lottery the exponent of our  $2^N$  formula is the number of **previous** years you have applied. For example, if this is the second time you have applied,  $N=1$  (i.e. you applied once before this year) and you get two tickets, not four.

Note that you are credited with a DNS **only** if you had met the qualifying standard for that year and participated in the lottery (i.e. did not withdraw your application before the lottery).

There are 18 international applicants who had their entries deferred from 2021, since they could not travel to the US due to COVID restrictions. They are listed as "Auto-D". Last year's male and female winners get an automatic entry slot. They are listed as "Auto".

Note that Service Tickets are awarded **in the next year only** for participating in the trail work weekend (with an extra if you are certified as a "Trail Boss"), sweeping the course, and serving as an aid station captain or captain's designee. In addition, a ticket may be awarded for additional specific service to Hardrock, as determined by the Board of Directors. These are reflected in the column "# Trail work/Course Sweep/AS captain ticks". Additionally, one ticket is awarded in perpetuity for every five years of volunteer service at Hardrock, which includes such things as working at an aid station, marking the course, working at check-in, cleaning the venue, organizing the run, etc., but **not** for pacing or crewing at Hardrock. The column "# Service tickets" includes this award in addition to the next-year-only service tickets.

If you think there is an error in your ticket count, first **READ** and **UNDERSTAND** the ticket algorithm at <http://hardrock100.com/hardrock-lottery.php>, and prepare your own version of your ticket count. If you still think there is an error, contact Blake Wood at [BPWRLC@comcast.net](mailto:BPWRLC@comcast.net) **before COB on Wednesday, 12/1/21**. Emails that simply say "I think my ticket count is wrong" will not be answered. You need to describe **why** you believe your ticket count is wrong.
