

2026 Hardrock Lottery Ticket Count, 11/17/2025

Below is a listing of the number of tickets each applicant will have in our December lottery. Note that this list is ordered by lottery - make sure you are looking at the correct one.

We have included enough information for you to understand how your ticket total was determined.

The total number of tickets in the "Finished" lottery is:

Total Tickets = 1 + Finishes Tickets + DNS Tickets + One-Time Service Tickets + Perpetual Service Tickets

The number of tickets in the "Never" lottery is:

Total tickets = 2^N , where N = DNS Tickets + One-Time Service Tickets + Perpetual Service Tickets

The rules for determining these numbers are explained on the Hardrock100 website. In particular, note that in the "Never" lottery the exponent of our 2^N formula is the number of previous years you have applied. For example, if this is the second time you have applied, $N=1$ (i.e. you applied once before this year) and you get two tickets, not four. Also note that in the "Never" lottery, beginning in 2023 the term for DNS's is actually "# DNS since last start", but Nevers who DNFed before 2023 are grandfathered in with "# DNS ever".

Note that you are credited with a DNS only if you had met the qualifying standard for that year and participated in the lottery (i.e. did not withdraw your application before the lottery). Also note that since the 2019 and 2020 runs were cancelled and we rolled over the 2019 "Never" field to 2021, no DNSs were credited for Nevers in 2020 or 2021. Those in the "Finished" field, are credited with a DNS in 2021, since we DID redo their lottery in that year.

Note that Service Tickets are awarded in the next year only for participating in the trail work weekend (with an extra if you are certified as a "Trail Boss") and sweeping the course. In addition, a ticket may be awarded for additional specific service to Hardrock, as determined by the Board of Directors. Additionally, one ticket is awarded in perpetuity for every three years of volunteer service at Hardrock, which includes such things as working at an aid station, marking the course, working at check-in, cleaning the venue, organizing the run, etc., but not for pacing or crewing at Hardrock.

If you have questions about these ticket allocations, contact lottery@hardrock100.com.
