

August 15, 1997

Dear Runners and Volunteers:

What follows is the results package for the 1997 Hardrock Hundred. The package is designed to provide information about the 1997 Hardrock Hundred as well as historical information of interest. This package contains:

1. The results spreadsheet in three representations:
 - a. Elapsed time into and out of each aid station relative to Silverton
 - b. Results in time of day based on a 24 hour clock
 - c. Elapsed time from exiting one aid station until entering the next aid station and time spent in each aid station.
2. Fact sheet showing statistical information summarized for each of the past Hardrock Hundreds.
3. Historical results and results by year for each of the past Hardrock Hundreds.
4. Entry Form for the 1998 Hardrock Hundred.
5. Hardrock Hundred questionnaire for runners, pacers, and crew that we request you return so that we can make the Hardrock Hundred better meet your needs in the future.
6. Photographs of some of you taken before, during, or after the run. These are yours to keep.

While the data has been checked and double checked, it is possible that errors still exist. If there are errors, please notify John Cappis or Charlie Thorn at the addresses below. Also, if there is other information that you want, let one of us know.

We want to thank you for participating or volunteering in the 1997 Hardrock Hundred. We look forward to seeing you in 1998.
