

Periodically, our partners want to let you know about something special they are offering. Rest assured that your privacy matters and any correspondence you get about those offers comes through us and that we don't share your personal information.

Hardrock FM

We all have those special songs we like to listen to while running or get us psyched to run, why not share them with the Hardrock community?. We invite you to share/add your favorite running and trail songs this year. Let us know your favorites [here](#) and then we'll be sure to add those songs (as long as Spotify has them) to our playlist.

Drones

Every year we are blown away by some of the videos and personal documentaries that are created by you. We would like to remind you that our event is held under a special events permit issued by the Bureau of Land Management, US Forest Service as well as local jurisdictions and as such, we need to abide by their guidelines. Accordingly, the use of drones during Hardrock is NOT allowed...sorry.

The HRH Board of Directors

We're pleased to introduce you to our [Board of Directors](#). Hardrock is a non-profit entity and as such, has a group of dedicated individuals who volunteer their time to help govern Hardrock. They are elected to 3-year terms and are responsible for helping set policy, conducting the lottery (you can thank them later!), overseeing financial management of Hardrock and helping the run stay true to our vision and values.

Ways to stay in touch with Hardrock:

Just a reminder, the best ways for you to keep up to date on what is happening with Hardrock are our [website](#), [listserv](#), [Facebook](#), [Twitter](#) and [Instagram](#).
