### Hardrock Zoom Sessions

This month's zoom session is all about the anchor communities of Hardrock as well as a first look at the 2026 Camp Hardrock schedule. Join Chris and his panelists from Ouray, Silverton and Telluride on Thursday, April 9th at 6:00 pm (MDT). All sessions will also be recorded and available on our [YouTube Channel](#). Have a question for the panel? You can let them know [here](#) . Here's the zoom link: <https://us06web.zoom.us/j/87197715968>

### Your Bio

Please take a couple of minutes and let us know a little bit about [Y-O-U](#). What are you looking forward to this summer? What should we know about you? Responses to the questions on this form will be used to populate the runner bios on the digital screens in the Silverton gym, your MAPProgress runner online tracking profile and Hardrock livestream. This information will not be shared or sold for any marketing or external informational use.

### Pacer/Runner Matchmaking GoogleSheet

Need a Pacer? Our Pacer Coordinator, Andrea has this year's [runner pacer matchmaking](#) sheet ready to help find you your perfect trail partner! Also, feel free to share this with anyone you know who may be interested in pacing this summer.

### Hardrock Service Requirement

Hardrock believes that giving back to the ultra community is important. We ask that each of you find a local ultra event and give 8 hours back. You can document your hours by filling out this [form](#). Please remember that your giving back needs to be completed by **June 15th** and your form must be returned to us by **June 22nd**. If we don't have your service form by then, we'll give your starting spot to someone on the waitlist. Also, did you know you can double check to make sure we have received it on our [entrants list](#)?

### Camping Hardrock

Once again this year, Hardrock is pleased that we can offer camping to the Hardrock community at the Kendall Mountain Recreation Area, 1 Kendall Pl, Silverton, CO 81433. There will be 30 spots reserved for Sprinter/RV/trailer vehicles and 150 spots reserved for car/tent camping. Permits and spaces will be issued on a *first come, first served* basis till full. We'll open reservations around the 1st of May so be on the lookout for the link in your email.

## Welcome to our new Board of Directors

The Hardrock Hundred Endurance Run Board of Directors is pleased to share the results of its annual Elections. We welcome three new board directors, Alex Elizabeth, Andrew Place, and Rachel Rountree - get to know them a bit more in the [press release](#). We'd also like to congratulate those elected to serve as officers for the upcoming year:

Treasurer: Kris Kern

## Say Hello to Telluride

*Telluride is a place of legend, nestled at the end of a lush canyon and surrounded by some of Colorado's most rugged peaks. You will admire its greatness while venturing over 13,000-foot passes, and once you're here, you'll appreciate the views (and the fact that the end is just around the bend). A historic mining town at 8,750 feet in elevation, Telluride's natural beauty is a pleasant reward for navigating the surrounding wilderness. If you're not careful, you may never leave the aid station in Town Park! We wish all of the racers the best of luck and hope to welcome you to our piece of paradise this summer.*

Some of you may know of media planning on covering Hardrock this summer. If you know of a media person/organization who is planning to attend Hardrock, we are asking all media to apply for a media credential. Please direct any questions to [Dan Ryan, HRH Media Director](#).
